Summary

Hello!!!I am Saheli Basu and I take this opportunity for introducing and mentioning somethings about myself.

The fact that if ever i get a chance to learn from anything,anyone,i am always enthusiastic and prepared for it.
Non-discrimination....is my motto.
I love to communicate;listening to music and singing is on the top list of my several hobbies.
I am also very curious for new things......improving any skills are no less than an achievement for me.
I am specifically interested in fields which is spontaneous and demands public dealings.
On the other hand i am passionate about subjects like statistics;mathematics,astrophysics,anthropology and subjects paving way to innovations.
